

CLP Lesson Plan Template

Teacher/s: Yidan Gong

Level: Lower Intermediate 1

Date/Time: August 9, 2022

Objectives:

Students Will Be Able To...

1. give suggestions to others' problems through an information gap activity
2. rewrite a story they hear with correct grammar by doing dictogloss

Theme: review and giving suggestions

[illegible]

Now, let's work in groups and try to rewrite the story on the board. Work with your partners. If you are done, read the other group's work and try to find the grammar errors and correct it. Let's go through the story sentence by sentence. Transition to Wrap-up: Now, we've done reviewing unit 1 to unit 5. Emily is going to check your understanding, we will play games.	2. Divide students into two groups and each group rewrites the story together on the board 3. Groups exchange to read the other group's writing and fix the grammar errors. 2.3 Post-Stage: 1. Give students the original copy of the paragraph. Go through it sentence by sentence and summarize the grammar. <u>Tangible Outcome & Assessment</u> 1. <u>Students will review all the activities they've done for the whole semester</u> 2. <u>Students will summarize the challenging grammar and provide some common mistakes</u> 3. <u>Students will rewrite a story by using the correct grammar</u>	S-S SS-SS T-SS	20
Wrap-up	Lesson Evaluation Procedures: Give the language summary sheet to students and go through the list to review each grammar together		

This section is mandatory

1. Materials:

Textbook
Worksheet
Language summary sheet

2. Anticipated Problems & Suggested Solutions:

Problem: the dictogloss is so long, students may not be able to write everything down
Solution: give students more time to finish it and read the paragraph more times

3. Contingency Plans (what you will do if you finish early? need to cut LP? etc.):

If we still have time, we will do an exercise that will be similar on the test.
